What We Do...

Ziptel IT Services Pvt Ltd is one of the largest industrial and home services platform. Launched in 2012 by Piyush Sharma and Jasvir Chahal, Ziptel today operates in 3 states Himachal, Haryana, and Punjab. The platform helps customers book reliable & high quality services like IT Services, Civil Construction, Plumber, Cleaning, Electrician, Carpenter works, Solar panel systems, Aluminum & Glass fittings, Interior & Exterior designing, All type of office furniture, and many more – delivered by trained professionals conveniently. Our primary objective is to establish an understanding of our clients and their needs. We are always on the lookout to offer the best and have found that a personalized and efficient service is just that. Reliability and professionalism are our underlying principle.
